

CENTER *for* American Nurses

Serving the Needs of Nurses Today & Tomorrow

www.centerforamericannurses.org

The Center for American Nurses is a national professional nursing organization that educates, equips and empowers nurses to advocate for themselves, their profession, and their patients. Established in 2003, the Center partners with organizational and individual registered nurse members nationwide to develop resources, strategies, and tools to help nurses manage evolving workforce issues and succeed in their careers. Additional information about the Center's products and services can be found at www.centerforamericannurses.org.

Mission

To create healthy work environments through advocacy, education and research.

Vision

To be recognized as the leader in workforce advocacy for professional nurses.

Center Programs and Resources

The Center offers evidence-based solutions and powerful tools to navigate workplace challenges, optimize patient outcomes and maximize career benefits. Our current areas of emphasis include:

- **Conflict Engagement** - a range of services to assist individual and healthcare facilities improve their conflict engagement skills, embrace conflict in a competent manner and become conflict competent organizations.
- **Career Transition and Coaching** - career planning and development through individual and/or group career coaching
- **Nursing Law and Practice** - understanding the relationship between the law and nursing practice and its impact on nurses' ability to provide safe patient care
- **LEAD Summit** - annual educational and research conference
- **Nurses' Investor Education** - nurse specific financial information needs
